

**Deon Clark**

*Entrepreneur • Motivational Speaker • Educator*

Deon Clark is the Owner of TCI Solutions, LLC; a certified veteran and minority owned business committed to providing the highest quality of consultation in three key areas: Workforce Talent Pipeline Development, Corporate Diversity - Inclusion and Engagement Strategies, and Educational Development Services for Teachers & Students.

He is also the Owner of TCI Express, Inc; a logistics company serving as a contractor for FedEx providing parcel and package delivery and support services in the South Loop and Downtown Chicago areas.

Deon is also the Founder and President of The Legacy Initiative, a 501c3 public charity non-profit dedicated to uplifting communities by engaging youth and young adults through their Legacy development programs and providing nourishing meals to those facing hunger.

Mr. Clark is a veteran of the United States Nuclear Navy and served as a Licensed Senior Nuclear Reactor Operations Instructor and HR consultant in the Energy sector. He is the creator of the Legacy I<sup>3</sup> Workforce Model, a talent development system that provides employers with qualified local talent. He has developed robust talent development pipelines for major Global and US companies such as General Mills, Core Publishing Solutions, Xcel Energy, Arizona Public Service, Palo Verde Nuclear Generating Station, Omaha Public Power District, Thomson Reuters, Metropolitan Airports Commission and others. Through his Legacy Programs, Deon has provided student development training to thousands of students across multiple states. He has provided high quality professional development training and consultation to thousands of educators and industry professionals.

Deon earned his B.S. in Human Resource Management from the New School University in NY, NY. He earned his Senior Nuclear Reactor Operator Instructor Certification from Exelon's LaSalle Generating Station in IL.
